

Joining the Stanley Black & Decker team means joining one of the world's largest, fastest-growing, and most dynamic global companies. Stanley Black & Decker is a world-leading provider of tools and storage, commercial electronic security and engineered fastening systems. We have been globally recognized as one of the most innovative, sustainable, and rewarding companies in the world. Recent acquisitions have made us the largest hand-tool, accessory and power tool manufacturer in the world.

Stanley Industrial, a Stanley Black & Decker Company, is a global leader in industrial solutions. We keep your world running seamlessly in ways both unnoticeable and remarkable. Our fastening systems connect the world's cars and electronics, and our infrastructure solutions build the world's roads, pipelines and sewer systems.

For manufacturers, our engineered fastening business meets assembly challenges around the world with innovative, customized and integrated solutions and systems. For oil and gas companies, we provide equipment and services for virtually every aspect of onshore and offshore pipeline construction and inspection. And for heavy construction and demolition, our family of powerful mounted and handheld hydraulic products are the undisputed leader in rebuilding infrastructure.

Join us in **Global Operations** at **Stanley Engineered Fastening** on our growth path and help shape our corporate development in a motivated and passionate way! We are looking for you as:
